Work Experience

Spirit Mountain Recovery / Product Designer

January 2021 - Present

Spearheaded the redesign of the company's business website. Conducted user interviews and analyzed analytics to identify key pain points and potential solutions. Presented work to relevant business owners to ensure project information is shared and understood.

Asian CineVision / Product Designer

October 2020 - Present

Helped create the vision for the organization's new website. Created user personas, user journeys, user stories, sites maps, wireframes and mockups to effectively communicate interaction and design. Lead cross-functional position meetings to effectively communicate conceptual ideas and design rationale. Worked closely with the engineering team to ensure proper implementation for the website launch.

The Meatball Shop / Bartender

October 2015 - December 2019

Increase sales by utilizing data acquired through customer interactions.

Banana Republic / Cashier

November 2012 - October 2015

Collaborated with managers and team members to achieve the company's daily sales goals.
