EXPERIENCE

Bloc Immersive UX/UI Program

UX/UI Designer

Dec 2019 - Jun 2020

- Alongside a senior product designer, learned industry best practices and design process standards with a focus on UX Research, Visual Design, and Front-end development.
- Produced a clickable prototype of a cloud file management app dedicated to empowering filmmakers.
- Created a solution that allowed users of a public transit app to know what time a certain bus was arriving at a certain station.
- Conducted both in-person and remote usability tests in order to enhance the usability and functionality of a project.

The Meatball Shop

Bartender

Oct 2015 - Dec 2019

- Increase sales by utilizing data acquired through customer interactions.
- Employed strategic thinking to solve any customer problems, complaints or concerns.
- Responsible for training and mentoring new employees.

Banana Republic

Cashier/ Sales Associate

Nov 2012 - Oct 2015

- Served multiple customers, discovered their needs, and made recommendations to generate sales.
- Collaborated with managers and team members to achieve the company's daily sales goals.
- Maintained knowledge of styling trends to better satisfy guest needs.
- Facilitated customer on-boarding process by establishing new accounts. Clearly communicated corporate policies & procedures.
